

Perfect! Organic Ingredients ...

Milne MicroDried's organic fruit and vegetable ingredients

have great natural taste, are rich in color and offer a clean label. With over 35 different varieties, these ingredients have no added sugars, color or preservatives of any kind and are available in organic powders, fragments and whole pieces.

Natural Taste & Clean Label

MicroDried's organic program is certified by the Washington State Department of Agriculture each year in accordance with USDA organic regulations to assure nature's goodness in all of MicroDried's organic products.

Ideal for new plant-based consumer products, MicroDried organic ingredients are ready-to-eat and are GMO, gluten and allergen free.
